

CONFERENCE OVERVIEW

About Event

The 2024 Nevada Aging and Disability Services Conference will take place from April 17-18, 2024, with a half-day dedicated to community partner development and technical assistance on April 16th. The conference will provide technical assistance, education, and training, as well as provide opportunities for attendees to develop strategic collaborations and innovative, sustainable service delivery solutions.

The Purpose

The conference aims to educate participants about the latest developments and challenges in the aging and disability services sector in Nevada, foster collaborative networks among state agencies, providers, governments, and consumers, improve service delivery, equity, and inspire innovative solutions for the aging and disability population. It will also encourage stakeholder engagement and collect diverse insights for future planning.

Tracks

The conference features four learning tracks:

- Person Centeredness
- Diversity, Equity, and Inclusion
- Workforce Development
- Innovative Collaboration
